

Overview

Dolphin Villa is tucked away in the much sort after location of Doral Woods and is set on a very large (Nearly 1 acre) and very private South Facing lot.

As it is set in a nice conservation area there is quite a bit of friendly wildlife around too. We also have a large collection of fruit trees in the rear garden, which includes Lemons, Limes, Oranges and Grapefruits, just help yourself!

This is a fabulous 5* Trip Advisor rated pool home to rent as it is perfectly located with Walt Disney World being less than 20 minutes* drive away.

dolphin villa ★★★★★

"a fantastic villa, very homely. everything you could possibly need. added bonus of having a very private garden with various fruit trees."
Valerie Griffiths

The only downside is the fact that the villa is so good you don't want to leave it to do the attractions! (review added by Property Owner)

"We have today returned home from a holiday at this fantastic villa. From the moment we booked it, we had great communication with the owner (Steve) who supplied us with all the information we needed to ensure we had a brilliant time - and we did!

The villa is absolutely perfect, set in a beautiful location and has everything you could ever wish for to make your stay idyllic. It is spotlessly clean, and very spacious with a fabulous pool and hot tub that overlook a beautifully secluded garden. We have rented many properties in Florida and other areas and none of them come anywhere near to the standard of Dolphin Villa.

On arrival at the property we found a welcome pack that included all that you need to make sure you have all the essentials to save you having to shop prior to arrival and it was very welcome!

The property is located in a very peaceful, quiet location, and we found everyone very friendly, so much so that as we went to and from the property neighbours waved and said hello.

Dolphin Villa is located within a short drive to the theme parks, so it is close enough to easily access them yet far enough away so you get away from the tourist hustle and bustle, so you can truly relax and recharge your batteries for the next day of fun activities.

Is there a downside to Dolphin Villa? No, unless the fact that it is so good you do not want to leave it to do the attractions, We found we could get up in the morning and have a dip in the beautiful pool, then breakfast outdoors under the covered, carpeted lanai before sunbathing in the large screened pool area. We would then reluctantly drag ourselves away from the pool to go out and visit the theme parks but couldn't wait to get back to enjoy the pool again before a late night dip in the hot tub before bed - what more could anyone want?

The villa is equipped with everything you need for a great holiday, all you need to do is bring your clothes and yourselves, everything else is already there waiting for you. It is a paradise to enjoy relaxing in and a great place to get away from the world. If you need to keep in touch with the outside world the villa has a TV in every bedroom and a huge TV in the living area, plus a great free Wi-Fi connection.

We cannot rate this villa highly enough and the attention to detail and help that the owner gives is second to none.

This is the place to stay in Florida!"

"Trip of a lifetime!" (review added by Property Owner)

"We stayed in this beautiful villa from 27th Oct to 10 Nov 2014 and we had the best holiday we've ever had! The villa was spotless and had everything we possibly needed. There is a wal-mart just down the road which was perfect! Disney and universal were just a short drive (approx 20 mins) away too which was brilliant! Overall, a fantastic property for all the family! I would certainly recommend to anybody!"

"Fabulous Villa in superb setting - no-one overlooking the pool or garden" (review added by Property Owner)

"This is the best villa we've stayed at in ten years of visiting Orlando, the furniture and decor were excellent without going over the top. We felt rested and comfortable, the heated pool was very private and there is even a spa tub on the decking. The owner bent over backwards to make our stay a happy one despite dreadful weather. We will only book this villa in the future - thanks Steve.

For the Disney lovers it's an easy 15 minute drive and the peace and quiet of this location will be a welcome respite after a busy day out."

Dolphin Villa is our own holiday home, so furnishings are to a high standard, as you can see from the pictures. This is definitely NOT like your average Orlando, Kissimmee holiday home, that you may have stayed in before in the Orlando area. Our Guest Reviews speaks for itself, we believe! Guests have told us this is "One of the best villas to rent in Doral Woods and the Orlando area". We are always looking to update our villa to make it really special and new items are continuously added. Apart from the major attractions this area has masses of golf courses, some very close by. Loads of shopping. This beautiful holiday home is close enough to all the major Orlando theme parks, but far enough out in the countryside to enjoy a very peaceful and relaxing break. About the Kissimmee Area The Villa is situated just south of the famous 192, Disney World entrance is approx. 15 minutes away, Sea World and the Universal Parks are approx. 25 - 30 minutes away. As the location is in central Florida, the beaches either side are approximately an hour to an hour and a half away depending on traffic. You're also not far from Universal Studios & Islands of Adventure with The Harry Potter Land too, Sea World, Discovery Cove and Aquatica water park, Kennedy Space Centre, Busch Gardens and the new Lego Land Florida, International Drive Shopping etc. etc. The list is endless!! There is a Horse World located just a few minutes away where you can hire a Pony or Horse and go on a Hack or just a small accompanied ride if you want to. There is also a small petting farm there as well. Enjoy some of the lovely nature walks which are close by. At the bottom of the main road there are Air Boat rides too.
