Dream Vacation! (review added by Property Owner)

"Lake Berkely is a fantastic base for an Orlando holiday and Winter Haven is the ideal Villa to spend your holiday in. The location just off the 192 in Kissimmee makes travelling to the theme parks easy and quick. Shopping is close by with a Walmart 5 minutes drive away and within walking distance if you prefer. There is plenty to do in and around the pool. The view over the lake is exceptional especially as the sun is rising in the early morning. The accommodation is well equipped with a games room, fishing and tennis equipment, playstation and multiple TV's. The rooms are very comfortable and spacious. Communication with the owners was excellent. They were approachable and keep in touch regularly. The whole process of booking, visiting and then the returning of the deposit once back in the UK was seamless. Highly recommend this Villa.

Best villa we've ever stayed in. (review added by Property Owner)

"
We've been to Florida 6 times and stayed in the Kissimmee area 5 of these times. This was BY FAR the best villa we've stayed in. Best of quality in every area from the bed's and furniture right down to the plates and cutlery. The owners of this villa have thought of absolutely everything and more to put your comfort 1st. I

will definitely stay here again and without hesitation recommend it to anyone. On top of this Kissimmee is a great area to stay in as it is close to everywhere.

Perfect Villa! (review added by Property Owner)

"Everything as described, a super villa with a perfect outlook. Villa was very clean and had everything we could possibly need.....even down to the bathroom scales so we could check we hadn't gone into 'excess baggage' with all the goodies we bought. Great location, close enough to everywhere we wanted to be (all the parks etc), but far enough to feel we had left the hustle and bustle of the parks behind. Watching the sun rise each morning over the lake was just stunning..... we managed to spot an eagle catching a fish from the lake, he circled around the lake about 3 times with the fish still wriggling in his claws, it was amazing to see. Would definitely recommend the villa to anyone going out there. From initial booking everything went smoothly. The owners and management provided an excellent first class service."
