It was a wonderful experience (review added by Property Owner)

"Ocean Drive - June 2024 SW Cape Coral

We recently stayed at the Ocean Drive for our vacation in Florida, and it was a wonderful experience! The home is located in a quiet neighborhood and offers a perfect blend of relaxation and convenience. One of the standout features of this property is the beautiful pool. We spent countless hours enjoying it and soaking up the Florida sunshine. The pool area is well-maintained and provides a perfect oasis for both relaxation and fun. The property is situated along a saltwater canal, which added a lovely touch to our stay. Our interactions with the host were fantastic. They were extremely responsive and made sure we had everything we needed for a comfortable stay. Their attentiveness and hospitality truly enhanced our experience. One of our favorite memories from the trip was working outside under the lanai (unfortunately yes we had to work remote while on vacation). The setup was perfect for getting some work done while still enjoying the beautiful weather and serene surroundings. Overall, our stay at Ocean Drive exceeded all our expectations. We highly recommend this property to anyone looking for a relaxing and enjoyable vacation in Florida. We can't wait to return!"
