Peaceful and Relaxing (review added by Property Owner)

"

Our stay at the property was peaceful and relaxing. We all enjoyed the pool, and the house which looks better then on the pictures. We could see beautiful sunset every evening. Close/walking distance to local supermarket was also a plus. I would recommend staying here???"

"Key Largo - South Cape

Beautiful home, perfect location! Everything was just as it showed in the listing pictures. My family would highly recommend.

After an exhausting day of flight delays and middle of the night arrival, we walked into this beautiful home with soft lighting and music playing! Perfect location, loved everything about it.

" Key Largo - SW Cape Coral

We loved staying in this beautiful home! It was spotless and had everything you could have thought of. The canal and outside area were lovely, the pool (solar heated to perfection) and spa were amazing! We ate outside daily. The Cape Coral area was great and had so much to do. I am a birder and the burrowing owls around town are ADORABLE! Sanibel is close as are tons of parks and reserves. I hiked every day! The Lobster Lady restaurant is the best.. we bought sushi and fresh fish to cook at home.. their Lobster bisque is so good! Publix is literally across the street. The management company was great.. easy to talk to, very knowledgeable and made our stay so nice. Check in was a breeze and there is info books about things in the area for you to check out. Punta Gorda airport is a super easy 40 minute drive away. This was a great vacation and we would stay there again no question! Thanks so much for allowing us to relax and unwind in your little piece of paradise!
