Villa Paradiso ★★★★★

"Fantastic villa. Great location close to restaurants and shops. Only 10 mins in car to 192 but also not far from parks. Great size 3 bed and 3 bathrooms which came in handy for 6 people. We stayed in november and added pool heat which made the pool very inviting like a warm bath. Great place and will definately book again."

Excellent ★★★★★

"Our first impression of the villa from the outside was a good one. The villa is set on a quiet residential street and is well cared for on the outside. When we entered the villa it was spotlessly clean and tidy which was a lovely welcome after the long journey.

Our party was made up of 4 adults and 2 children and there was ample space. The impression we had from the photographs was that the kitchen/dining area was on the small side but this certainly isn't the case!!

Each bedroom had more than enough wardrobe space and all the beds were very comfortable.

The pool area was quite large and the children spent hours swimming in the pool, whilst us adults relaxed in the very comfortable poolside furniture. At night you could hear the animals in the trees and we even got a peak at a friendly armadillo!!!

We spent most of our days visiting the many theme parks in the nearby vicinity. It was roughly a 20 minute drive from the villa to the Magic Kingdom and is well signposted from the main road.

Also near to the villa is a Walmart (you could spend days in these shops) which is no more than a 5 minute drive away.

Also if theme parks aren't your thing or if you are looking for something different to do, try going on an air boat ride to spot alligators. We went to a place called Boggy Creek (less than 30 mins away) and had a fabulous time.

All in all, we had an absolutely amazing holiday and we couldn't of been happier with our choice of villa. Doreen was so helpful and quick to respond with any queries we had.

Time to start saving our pennies so we can visit again!!!"

Perfect villa ★★★★★

"We have a wonderful two weeks holiday at this lovely villa. It's perfectly located to access the Disney parcs and Orlando studies. There are supermarkets, restaurants and takeaways close by too.

The villa is very well equipped with everything that you need from towels, bed linen to washing facilities and kitchenware. Loved the by oven and fridge freezer, great for a big family.

The villa is beautifully decorated and cosy, feels like home. The children loved the comfortable beds, cosy lounge area and especially enjoyed the pool. The pool and pool area are clean and tidy, lovely seating area and lounge area. Was I wonderful to sit out in the evening or take a late night dip after visiting one of the

parcs.

Every thing you need to know is clearly outlined in a folder for you, which was a great help. I would 100% stay here again if I was to visit Florida.

Thank you so much for allowing us to stay in your fantastic villa."

Great Stay

"We spent 2 weeks at this wonderful 3 bedroom home villa. First impressions were how clean & well equipped with every thing required. We met with Doreen who provided many discount restaurants & shows available plus a lovely bottle of wine. The pool was excellent used every day except one day of rain. Would recommend this villa for anyone seeking holiday tranquillity as the house is in an excellent safe area.
