Amazing stay at this villa! (review added by Property Owner)

"We had an amazing stay at this villa! The location was perfect, close to everything we needed (parks, shopping, etc). The pool and lanai areas were hands down the best we've ever had - ideal for the whole family to relax and enjoy the sunshine. The surrounding area was lovely and peaceful. We can't wait to come back!"

The BEST vacation villa!! (review added by Property Owner)

"What a wonderful place to stay with the family when visiting Central Florida. We have stayed in many villas in the area in the past, this one, by far was the cleanest and best maintained!! The layout of the home was perfect. It was very welcoming and felt like a second home to us! The south facing large pool area with the shaded lanai was perfect for all day sunshine and we all thoroughly enjoyed every minute of it! The hosts were very easy to communicate with and got back to us quickly whenever we had a question. An absolute delight to work with!! Honestly, this place was amazing!! We will be booking again when we return to the area!"

We Could Live There Forever! (review added by Property Owner)

"Just wanted to let you know how much our family enjoyed our stay in your beautiful Florida home. We could live there forever. Your home is very clean and very nicely decorated. The pool is awesome. Our final days weather was a little cooler and we especially enjoyed opening the patio door and enjoying the breeze. As this was our first time renting a vacation home, we would certainly rent one again (Especially yours). We would definitely love to stay at your home again and would highly recommend it to anyone."
