Fantastic villa on beautiful gated Resort. (review added by Property Owner)

"I was so happy that my sister chose this house! Very clean, well maintained and modern furnishings. A real heaven... We really liked the quiet surroundings and the lovely private pool, the kids loved it! The kitchen was well equipped (we like to cook) and all the bedroom were really spacious. We asked the management company for restaurant suggestions and they were very helpful... Overall a great experience.. We would recommend it to any of our friends and would definitely come back. My husband loves golf and there was plenty of golf options around the house... including great "specials"... There was also the best outlets only 10 mins for the house... Great shopping and savings...!! Thanks to you Stephen and Johanna who were were fantastic in communicating with us. We were apprehensive about booking online as we had never booked this way before but they were very patient and reassuring with us.(thank you both) We received our deposit back within 24 hrs return. I would highly recommend this villa."

Great stay at this villa (review added by Property Owner)

"My family and I enjoyed our stay in this villa. This was one of three rentals we had and this was the best one overall. My husband, son and nephew really enjoyed the lake behind the house. They did a lot of fishing and relaxing by the lake. The house was fully equipped with all the necessities needed for our stay. There was plenty of room to accommodate my family and we truly enjoyed our stay.

Will book argain, higly recommended"
