Reviews

Excellent Villa ★★★★★

"We thoroughly enjoyed our stay at Doral Woods, the villa is in a great location for exploring Orlando as well as Disney. The villa comprises of 4 immaculate bedrooms, all bedrooms were well equipped with an ensuite to the master and double bedrooms. The master and double bedroom also has secure access to a private pool area which included a separate hot tub. The owners were excellent in communicating before our trip and during our stay. Would thoroughly recommend and look forward to visiting again."

5* Trip Advisor (review added by Property Owner)

"Doral Woods Secluded Florida Villa was last awarded the Trip Advisor 'Travellers Choice' award in 2020 and had previously received 'Certificate of Excellence' awards.

There are many previous guest reviews available to see on the TA site but guests are encouraged to use and recommend sites like DIRECT VILLAS FLORIDA to avoid huge booking fees charged to guests by TA, VRBO, AirBnB and most other booking sites.

DVF allows you direct contact with the villa owner, unlike other sites. You are freely able to communicate and build a relationship with the owner who will provide you with a personal and timely service rather than a faceless automated response from a big company only interested in raking in cash.
