Our second visit to the Villa was exceptional and this time we stayed for 4 weeks.

"Our second visit to the Villa was exceptional and this time we stayed for 4 weeks. The owners again went the extra mile to accommodate our requests and all who visited and stayed with us were very impressed with the accommodations and the facilities.

Thoroughly recommended.

"If you want a large villa in the Orlando area, look no further.

The villa is ideal for a large family group or even up to 3 families. We booked direct through <http://www.thevillaorlando.com> (not through a US agent) and I cannot recommend them highly enough – you can be assured of the attention that you need.

Whilst slightly further from Disney area than some villas, we found it to be ideal for travelling West to the coast and Busch Gardens as well as to Disney.

A awesome family vacation

"Just wanted to let you know that we had an awesome family vacation in your villa. Everything was perfect (except the weather) but it was sunny every day. The house had everything we could have asked for and we have been renting for 7 years now."
