We are Darren and Gail and we own a fabulous 3 bedroom 3 bathroom villa with South Facing Pool, on the picturesque community of Sandy Ridge, which is surrounded by golf courses and is still only 15 minutes from Disney-world.

Our fantastic villa has all the usual amenities but we go the extra mile including home comforts that make Pluto's Palace a real home from home. Read our features list to see just how different we really are.

The community is in a tranquil setting with very little traffic and beautiful woodland, surrounding it. Every villa is individually painted with no two villas the same color or design and a lovely safe play area for children with slides etc - making the community feel homely.

Sandy Ridge and Pluto's Palace really does have everything you need for a relaxing holiday and you can be sure when you book us you'll be getting the best.

Title Super Stay at Pluto's Palace

Rating ?????

Review We spent 10 nights at Pluto's Palace and our stay was awesome. From the beginning, communication with Darren was excellent, answering any queries and his information pack before even reaching Florida was very helpful. The villa was very clean and the utilities were far superb to any other villa we have stayed in. The pool was lovely and beds very comfortable (a must for me!!) and the area very quiet and peaceful. The location is great, a Publix supermarket just 4 mins drive down the road along with pizza, wings, Chinese takeaway and petrol station. The villa is within easy reach of all the Disney Parks and Universal Studios. We would definitely stay again. Thank you."

### Thanks

"Gail,

We had a wonderful time staying at Pluto's Palace and will definitely be returning on our next vacation to Florida. The house was beautiful and it was so nice to be able to sit on the patio and watch the kids enjoy the pool. My sons would have stayed in the pool all week if we let them. We really had a great time!!! We will definitely recommend this place to our friends and family. We even took pictures to convince them.

**Fantastic!!!**

"Hi Darren and Gail,

Thank you so so much for giving up your house for all of us. We all had an amazing time, especially the house which is amazing, we were all v impressed by that.

We managed the universal theme parks but we didnt get to the Disney ones apart from Pleasure island which ended up being quite a wild night. Plus we managed Cocoa beach and St, Petersburg.

Thank you so much for everything: the house, the help, the directions-everything!

**For Pluto's**

"Gail,

Here is our testimonial to Pluto's Palace

Hi Gail and Darren. Just wanted to let you know that we had a fantastic time at Pluto's Palace. The villa is gorgeous, and in an excellent location, close to the parks and the shops. The children loved it. Our 17 year old loved the games room, and our 2 year old loved the childrens toys and DVD's which you supplied at the villa. Its the little extra touches that make all the difference (especially with a 2 year old!!). Needless to say they both loved the fabulous pool. It was perfect for us and I would definately recommend it to anyone. We will certainly book with you again.

"Hi Gail and Darren

My family and I had a great time in Florida and we were sad to find that the time went so fast.  
The villa was excellent and you had certainly thought of everyones needs with the facilities that were provided. We only hope the people who use the property respect it for what it is and look after the equipment and furnishings.  
We will certainly be returning to Florida and will have no hesitation in asking if Pluto's Palace is available.
