Fantastic base for our holiday (review added by Property Owner)

"A wonderful place to use as a base for our family holiday. Maureen was extremely helpful and gave clear instructions on how to find the villa. Lots of useful info provided once there and the management company were quick to respond to any queries. The villa was well maintained, extremely comfortable and welcoming, with lots of character and nice touches. We had many tasty barbecues, but the pool was the biggest hit with the family - we spent hours in it!!"

Fantastic Villa (review added by Property Owner)

"This was the second time we have rented this villa and the experience was just as good. We were given all the codes etc for the villa before our trip along with very clear driving directions and therefore we had no difficulty finding it. The outside lights were on when we arrived making us feel welcome. The villa was clean and well presented. The beds are really comfortable so you get a good night's sleep after a busy day. The pool was a little cool for us initially but a call to the management company rectified this immediately and we were able to enjoy the pool fully. We loved the decor and felt that the villa was equipped with everything we needed. A safe is also available. The proximity to the parks is advantageous. We wouldn't hesitate to rent this villa again when we are next in Haines City."

Amazing Villa (review added by Property Owner)

"This was our second stay at this amazing villa. This villa is for the family that just wants that extra little piece of class and luxury. We have found at this Villa really does feel like home rather than the usual villas which are comfy, but not as homely as this one. This Aug was our 5th visit and this property is by far the best. We are already looking forward to our 3rd stay. The villa is ideally located for supermarkets, Disney, legoland and Universal. Lots of entertainment for days around the house including Xbox, Wii, pool table and endless DVD's to keep the kids happy! The directions from airport was very simple, along with instructions

for gaining entry into the estate and house.
