About Toy Story Tower

As part of the Windsor Hills community, you will enjoy unrestricted access to the Windsor Hills Community facilities, which are by far the best community facilities in Central Florida. From lazy days by the pool to relaxing with the family and enjoying the Florida Lifestyle, this is the perfect vacation home for the entire family! Windsor Hills has all the amenities of a 5 star hotel or resort, but with the comfort, convenience, and privacy of a high end home. Our gorgeous homes offer twice the amenities at a fraction of the cost of staying in a traditional theme park resort or hotel room. Who wants to spend their vacation in a cramped one room hotel room when you can enjoy an incredible home in an amazing resort that is as close to Disney as many of their own properties? The most impressive feature is our location, just 5 minutes to Disney! Windsor Hills offer lighted tennis courts, sand volleyball, lighted basketball courts, as well as a newly opened golf practice putting/chipping green area. There's also a state-of-the-art children's playground area. The unique, castle themed playground has something for everyone. A dragon guards the drawbridge over the moat and once inside, children and imaginations run wild! Whether it's a quiet game of jumbo chess or rescuing a damsel in distress from the castle dungeon, boys and girls of all ages are sure to find a one-of-a-kind play experience.
